

## Still Life Challenge (Three Jars)

"Still-life photos can seem like simple collections of everyday objects. But they can be amazingly complex, filled with demanding lighting and difficult composition issues. Experiment with shapes, colors, textures, backgrounds, and points of view." (Quote from 4-H Photography Manual)

ON-LINE Contest for April, 2021

1. Find three jars (they don't have to be canning jars) to use in your still-life photo.
2. Select items (or ingredients) to put in them, and amounts.
3. Select a simple background.
4. Arrange the jars, select the lighting, and try different angles for your shots.
5. Be sure to "fill the frame" with your subject (your jars). Make sure you are in focus!
6. Submit your photo, or photos, by email to [hewlett4h@gmail.com](mailto:hewlett4h@gmail.com) by April 30, 2021.  
Include your name, grade in school, and 4-H Club.
