Arrival date is scheduled for March 28th (Thursday). Pick up time is 10 am – 6 pm. This is the only pickup date. NOTE: Poults to arrive by mail on March 28th (Thursday) – If they **DO NOT** arrive on March 28th, Russell will contact you by Phone, Text Message, and or Email. Contact Russell Gluth (219) 746-4906 if you have a conflict. Poults will be delivered to Russell at 418 East 100 North in Valparaiso. You should have a place for them prepared before this date. Purchase food and watering equipment ahead of time. Do not wait until the day the turkey poults arrive to prepare for them.

When you pick up your birds, bring a box with straw, shavings, crushed newspaper or other rough bedding. Turkey poults should never be put on a smooth surface. This damages their legs.
